## Student Engagement

Culture and community are at the core of our beliefs and we encourage our students to engage in activities like Student Senate, AIHEC, and other social and traditional events that bring us closer together. We also have a very small student-to-faculty ratio which nurtures a very enriched atmosphere for learning and growth.

Student-to-Faculty Ratio: 9:1

## Scholarships

SWC works closely with the American Indian College Fund and many other notable non-profit organizations, including our own in-house scholarships, to ensure that a wide variety of financial opportunities are available for our students.
